Lyrics

Fair Harvard

Samuel Gilman, Class of 1811

Fair Harvard! we join in thy Jubilee throng,
And with blessings surrender thee o'er.
By these Festival-rites, from the Age that is past,
To the Age that is waiting before.
O Relic and Type of our ancestors' worth,
That hast long kept their memory warm,
First flow'r of their wilderness! Star of their night!
Calm rising thro' change and thro' storm.
[Revised 1998]

2011 Class Ode

*Hannah Marie Horowitz '11, Andrew Gerard Maher '11,
Christine Kim Son '11, Matthew Dennis Trout '11,
and Shaun Travis Vigil '11*

Fair classmates and friends, we have triumphed at last!
O'er scabies and sections and snow.
We had lanyards, and Domna, and six expos drafts,
Then against Yale four vict'ries in tow!
A new President installed, as we entered these halls,
Now we set forth on bold journeys new.
Though we tightened our belts and chose Gen Ed. or Core,
To ourselves we remained ever true!

O twenty-eleven! Our future awaits!
But forget not the memories we hold:
Senior bar, late-night brain breaks, and four housing days;
Social networks we'll keep 'til we're old.
With champagne we toast! As @fas becomes post!
Raise a glass to those close to your heart.
Through the gates we shall march and then bid our farewell!
Though far, may we ne'er be apart.
